

1 **(March 13, 1995)**

2 **Alternative Bids**

3 The bidding proposal on this project permits the bidder to submit a bid on one or more
4 alternatives for the construction *** \$1\$\$.

5
6 **Bid Proposal**

7 The bid proposal is composed of the following parts: Base Bid and Alternatives ***
8 \$2\$\$. i.e. A1, A2, etc.

9
10 The base bid includes all items that do not change as to quantity, dimension, or
11 type of construction, regardless of which alternative is bid.

12
13 The Alternative portions of the bid proposal contain all items which change as to
14 quantity, dimension, or construction method, depending on which alternative is bid.

15
16 **Alternative A1**

17 Alternative A1 is based on constructing the *** \$3\$\$.

18
19 The bid items for Alternative A1 are as listed in the bid proposal.

20
21 **Alternative A2**

22 Alternative A2 is based on constructing the *** \$4\$\$.

23
24 The bid items for Alternative A2 are as listed in the bid proposal.

25
26 **Bidding Procedures**

27 The bidder shall submit a price on each and every item of work included in the base
28 bid. The bidder shall also submit prices on each and every item under the
29 alternative on which the bidder chooses to bid, or, if the bidder chooses to bid on
30 more than one alternative, the bidder shall submit prices for each and every item
31 under each alternative chosen.

32
33 The successful bidder will be determined by the lowest total of an alternative plus
34 the base bid. Award will be based on the lowest total subject to the requirements of
35 Section 1-03.
